

Custom Coaching Private & Semi-Private Lessons

What is custom coaching?

Custom Coaching is private (one on one) or semi-private (2:1) instruction that is tailored to the individual athlete and his/her goals. Private lessons provide the perfect setting to address personal goals and work on areas of individual interest. Private instruction accelerates gymnastics skill acquisition with the use of customized lesson/training plans and individual attention.

Are Private Lessons for you?

Private lessons are available for beginners to the most advanced athletes. Private instruction is offered to recreational gymnastics, preschool gymnastics, cheerleaders, tumblers, special needs children, dancers, free-runners, and martial arts students. Twisters also offers private fitness and tumbling instruction to adults, Crossfitters, and cheerleaders.
